## V. Action Items

ITEM TITLE	Sports storage
DISCUSSION NOTES	Should we utilize tax credit funds to store our sports equipment? Would be great to have dedicated storage space; John found some that were \$2000-\$3000; wood shed; needed for track equipment, tables, benches, basketball pole pads etc; we should look into receiving a more approximate estimate from a couple of vendors (Home Depot, Santa Rita); currently have about \$15,000 in undesignated tax credit money; Crystal asks about keeping the shed secure
RESOLUTION	<i>Konrad motions to spend up to \$3000 of undesignated tax credit money to support the installation of a sports storage shed. Crystal 2nds with the caveat of locking mechanism. 0 nays, 7 yays via voice vote</i>
